

# Submarine

## Marco Carola

Put me in the submarine  
And push it into the sea  
Let it sink down  
Down, down  
I remember everything  
Racing you across the bridge  
I was running, I was sweating, I was falling  
And then you kissed me, it was crazy  
But that was yesterday  
That was not today  
But that was yesterday  
That was not todayI did not want to let you go  
But I knew I had to  
I did not want to let you go  
But I knew I had toAnd I remember everything  
I even loved your family  
All I've ever given you was love  
And your heart has two sides  
And I can't stick around to lie anymore  
I'm laughing and I'm crying  
I'm laughing and I'm crying and I sink down  
Down, DownI did not want to let you go  
But I knew I had to  
I did not want to let you go  
But I knew I had to  
I did not want to let you go  
But I knew I had toAnd I'll always miss youAnd I'll always miss you, ohI did not want to let you go  
But I knew I had to  
I did not want to let you go  
But I knew I had to  
I did not want to let you go  
But I knew I had toAnd I'll always miss you, oh
