

Ladies Night - Single Version

Kool & The Gang

Mm oh yeah, what a night

Oh yes it's ladies night
And the feeling's right
Oh yes it's ladies night
Oh what a night (oh what a night) [Repeat: x 2]

Girls, why'all got one
A night that's special everywhere
From New York to Hollywood
It's ladies night and girl
The feeling's good [Repeat: x 2]

Romantic Lady , single baby
Mm sophisticated mama
Come on you disco lady yeah
Stay with me tonight , mama ,yeah

If you hear any noise
It ain't the boys , it's ladies night , uh huh

Gonna step out ladies night
Steppin' out ladies night
Gonna step out ladies night
Steppin' out ladies night [Repeat: x 2]

On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is your night, baby
You've got to be there

This is your night
Tonight , everything is gonna be alright (repeat)

Come on let's all celebrate(repeat)

Oh ladies night and the feeling's right
Come on let's all celebrate

Lovely lady, lady, I love you

Girls, why'all got one (what?)
A night that's special everywhere
You dance, you smile, the guys go wild
So chic so fine you all looks so divine
