

Be Like You

Death By Unga Bunga

You're just a rat on the streets with no chance to come clean.
Brings you down to the floor still you're asking for more.
You never ran from the scene, still believe in teenage dreams.
Why can't it last forever.

Eyes are rolling back, feels like a heart attack.
I'll be right by your side if you'll let me join the ride.
Let's get drunk together.
Red wine gets us out, white lights keeps us up all night.
I wanna know how you do all the things that you do.
I wanna be like you.

See you hang by the trains, you're a wreck on your way.
Ain't no magical spell, this is going to hell.
Still you dance down the streets 'til the wrecking balls meet.
Hanging out for a score, touch the sky, then some more.
I've got wine, we'll be fine. Drink the bottle, clear the lines.
Take the night together.

Eyes are rolling back, feels like a heart attack.
I'll be right by your side if you let me join the ride.
Let's stay drunk forever.
Red wine gets us out, white lines keep us up all night.
I wanna know how you do all the things that you do.
I wanna be like you.

All the things that you do.
I wanna know how you stray away from telling the truth.
I'll tell you mine.
I wanna be like you.

Eyes are rolling back, feels like a heart attack.
I'll be right by your side if you let me join the ride,
Let's stay drunk forever.
Red wine gets us out, white lines keep us up all night.
I wanna know how you do all the things that you do.
I wanna be like you.
