Last Man Standing

HammerFall

I, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingI, I am the one, the one
Who sold his soul, his soul
Forever gone
To be the last man standing tallI, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingGlorious, noble in my mind
Everything you fight to win
Taking all and giving
Whatever my pride will let me
Not backing down, no giving in
I wouldn't lose, I couldn'tI, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingI walk alone with my head held high
Never felt that I belong
Stand my ground at all costs
Running through life with blindfolds
Just for the right, right to be wrong
Nothing would rule my world but II, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingNothing would rule my world but II, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingI, I am the one, the one
Who lost control, control
But in the end
I'll be the last man standingSeeing clear of what I've done
I refuse to let things go
I can never once admit I'm wrong
And what I have to showSeeing clear of what's at stake
And the things I have to change
I just hope I can, it's not too late
To get a chance to end this pain
