

Holy

Promise Land

Verse 1

Can a man claim presence at the earth's formation when the cornerstone was laid?

Who commands the storms or the rage of the seas?

Who commands the sun's light to turn to night? Bridge

Oh what can compare to Your holiness, Oh Lord?

(I'm dying in this darkness!)

Please God deliver me. Chorus

I am a broken man, Oh Lord.

I have fallen to my knees.

In Your holiness, I surrender it all to You, my King. Verse 2

Who can change God's will or condemn Almighty to justify their ways?

Whose voice can thunder or tread down the wicked?

Who can clothe in glory and save their soul? (Bridge) - (Chorus) Ending

You are Holy, Holy, Holy. (My Lord, My God!)

We lift Your name on high.

We praise Your holiness.

Majestic and Glorious!

Let everything that breathes on earth exalt the great 'I AM'.

For He is worthy of our praise! You are Holy, Holy (Holy!) - Holy, Holy (You are!)

Holy (My Lord, my God!)

You are Holy (Holy!) - Holy (Holy!) - Holy

(He is worthy of our praise!)

You are Holy, Holy (Holy!) - Holy Holy (You are!)

Holy (My Lord, my God!)

You are Holy (Holy) - Holy (Holy) - Holy
