Needle

The Screaming Jets

I gave up trying
No use in lying
Another broken promise
Another bond demolished, demolishedWill I ever give a fuck
About anyone or anything?
Day by day, live in denial
The needle is realityWeightless, painless
Numbness, shameless
Weightless, painless
Numbness, shamelessLying on the floor
I don't even care
Feeling so useless
Only one thing will fix thisVeins are flowing with my solution
Picturing death for inspiration
Set me free, oh, what a feeling as it enters my skin
Taking me back before the life filled with sinWeightless, painless
Numbness, shameless
Weightless, painless
Numbness, shamelessI'll show the world I'm the hand of God
I'll give you everything you need
I'll make all your dreams come true
I'll take away all your miseryI'll answer all your prayers
I'll fill you with hope
I'll feed you when you're hungry
I'll be the one to help you copeWeightless, painless
Numbness, shameless
Weightless, painless
Numbness, shameless
Needle
