

# It Could Happen to You

**Diana Krall**

Hide your heart from sight,  
Lock your dreams at night,  
It could happen to you. Don't count stars,  
Or you might stumble.  
Someone drops a sigh,  
And down you'll tumble. Keep an eye on spring,  
Run when church bells ring.  
It could happen to you. All I did was wonder how your arms would be,  
And it happened to me. Hide your heart from sight,  
Lock your dreams at night,  
It could happen to you. Don't count stars,  
Or you might stumble.  
Someone drops a sigh,  
And down you'll tumble. Keep an eye on spring,  
Run when church bells ring.  
It could happen to you. All I did was wonder how your arms could be,  
And it happened, and it happened,  
And it happened to me.
