Once Is Enough

In Fear and Faith

Just ask me once
Don't ask me twice
Never ask me three times
I don't give that much advice
I took my chance
At the first opportunity
To wander through this world
And to do what comes so naturally
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Once is enough
Sometimes you're first
Sometimes you're last
Then again you're somewhere
In your, "Days of future passed"
If you can find yourself
And know just where you are
Don't let the wind turn you
You're stronger than you think you are
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Once is enough
Once is enough
Just ask me once
Once is enough
Just ask me once

Once I was rich
Once I was poor
Once I was no one
I ain't no one anymore
Once in a lifetime
There's a chance that comes your way

Take it with both your hands
And be somebody for a day
Once is enough
Just ask me once
Once is enough
Just ask me
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Just ask me
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Just ask me once
Once is enough
Just ask me
Once is enough
Just ask me
