Live Life Now

Cheryl

What do you desire?
What do you desire?
If money was no object
What would it require?
What would you desire?
What are you doing in this moment?
What are you doing right now?
Live life now
What are you doing in this moment?
You better live your life nowWhat do you desire?
If money was no object
What would it require?
Live your life nowThe things you think you need
Get what you desire
Whatever sets you free
If money was no object
We got this precious life
What would your life require?
One chance to get this right
You better live your life nowLive your life now
Is it poetry?
What you want?
Is it poetry?
Ride a white horse
Live your life nowWhat do you desire?
If money was no object
What would it require?
What would you desire?
Live your life nowThe things you think you need
What do you desire?
Whatever sets you free
If money was no object
We got this precious life
What would it require?
One chance to get this right (What would you desire?)
Live your life nowLet's just stay here in this moment
Let's dance on the tables
Wave our arms and get unstable
Let's show everybody how

Let's show everybody how
To live right nowLet's dance on the tables
Wave our arms and get unstable
Let's show everybody how
Let's show everybody how
To live right nowTo live right (Right right right right)
