

# Wishes

## Human Nature

Sometimes I wish that I could turn back time  
I check myself 'cause I was way out of line  
I only hope that we can start all over again  
I must admit that I was more than wrong  
I use your heart like a stepping stone  
Please forgive a fool who doesn't know what to do  
What do I do?  
And I wish that I could have just one more chance  
And I wish that I could be your pillar of strength  
And I pray that you will see that what I'm saying is true  
'Cause I, I wish for you  
In my mind, I can see your face  
You're on the breath of every word I say  
If there's anyone to place the blame on, it's me  
Baby, can't you see?  
And I wish that I could have just one more chance  
And I wish that I could be your pillar of strength  
And I pray that you will see that what I'm saying is true  
'Cause I, I wish for you  
I wish for you  
I wish for you  
(For you)  
Oh baby, I wish  
I really miss you, baby  
I think about you, baby  
(All night long)  
I really need you, baby  
I wanna hold you, baby  
Stay with me  
(Won't you stay?)  
And I wish that I could have just one more chance  
And I wish that I could be your pillar of strength  
And I pray that you will see that what I'm saying is true  
'Cause I, I wish for you  
I wish for you  
I wish for you  
(For you)  
Oh baby, I wish for you
