

I'll Bet You

Jackson 5

Ice cubes on a red hot stove will melt
And I'll bet ya
A drowning man bet his first words are help
And I'll bet ya If you bet on a horse and the horse don't win
You lose and I'll bet ya
If you try to sit on air, you're gonna fall
And I'll bet ya If you want a winning hand
If you want a perfect man I'll bet you never lose with love
I'm gonna win and I'll bet ya
Bet you never lose with love
I'm gonna win and I'll bet ya Take a car without fuel, it ain't gonna move
And I'll bet ya
A carpenter can't build his house without any tools
And I'll bet ya If your shoes are too small, they hurt your feet
And I'll bet ya
And you can't know what's goin' on, if you're asleep
Oh, I'll bet ya If you want a winning hand
If you want a perfect man I'll bet you never lose with love
I'm gonna win and I'll bet ya
Bet you never lose with love
I know I'm gonna win and I'll bet ya Ooh
(Ooh)
Aargh, aargh I'll bet you never lose with love
I'm gonna win and I'll bet ya
Bet you never lose with love
I know I'm gonna win and I'll bet ya
