

# You're Gonna Love Yourself (in The Morning)

**Kris Kristofferson**

Heaven knows that some man has abused you  
I guess that's why you think I'm gonna use you  
You'd hate yourself in the morning 'cause you wake up and I'll be gone  
You give me just one more chance, I can prove you're wrong  
And you're gonna love yourself in the morning  
'Cause I'm gonna love you all night long  
You're gonna love yourself in the morning  
And every morning from now on

I know what you're thinkin' and I don't blame you  
I know it's gonna take a whole lotta lovin' to change you  
But when I wake you in the mornin'  
You're gonna find that I'm still your flirt  
You'll see how it can be such a beautiful world  
You're gonna love yourself in the morning  
Yes, every morning from now on
