

Unbelievers ('Seeburg Drum Machine' Mix)

Vampire Weekend

[Verse 1]

Got a little soul

The world is a cold, cold place to be

Want a little warmth

But who's going to save a little warmth for me[Pre-Chorus]

We know the fire awaits unbelievers all of the sinners the same

Girl you and I will die unbelievers bound to the tracks of the train[Verse 2]

If I'm born again I know that the world will disagree

Want a little grace but who's going to say a little grace for me?[Pre-Chorus]

We know the fire awaits unbelievers

All of the sinners the same

Girl you and I will die unbelievers bound to the tracks of the train[Chorus]

I'm not excited but should I be

Is this the fate that half of the world has planned for me?

I know I love you

And you love the sea

But what holy water contains a little drop, little drop for me[Verse 3]

See the sun go down, it's going on down when the night is deep

Want a little light but who's going to save a little light for me?

If I'm born again I know that the world will disagree

Want a little grace but who's going to say a little grace for me?[Pre-Chorus]

We know the fire awaits unbelievers

All of the sinners the same

Girl you and I will die unbelievers bound to the tracks of the train[Chorus]

I'm not excited but should I be

Is this the fate that half of the world has planned for me?

I know I love you and you love the sea

But what Holy water contains a little drop little drop for me[Chorus]

I'm not excited but should I be

Is this the fate that half of the world has planned for me?

I know I love you and you love the sea

Wonder if the water contains a little drop little drop for me
