

# Death Valley Queen

## Flogging Molly

Death Valley Queen, where have you been?  
Since they crowned you in glory  
Filled your head with dreams  
But it still goes to show in every desert  
There's a rose that's blooming for all to be seen  
I remember you well from that town you did dwell  
With the face of an angel in a dump hot as hell  
When I asked for a kiss you kindly dismissed  
So I lead my poor heart to the slaughter  
Tell me dear what did you fear?  
I'd do you no wrong though no stranger to sin  
So Death Valley Queen go marry your king  
Or an old maid you'll end up for certain  
Off I did set on my trail of regret  
Where I thought of you now in your castle and crown  
So I found me a whore with a face just like yours  
After several gallons of porter  
When I awoke, she had scampered I was broke  
Laying cold in the bed with a whale for a head

So Death Valley Queen go marry your king  
Or an old maid you'll end up for certain  
Then the ball dropped why everything fell by the way  
As your teardrops were falling I forgot to say  
That I have always loved you  
Yeah, I have always loved you  
Yeah I, yeah I, I have always loved you  
When I returned downtrodden and burned  
There were billy goats grazing  
Where once you'd be found  
So I hung out to dry on this limb for a lie  
Take me back for I'm cursed on the mainland  
Tell me dear what did you fear  
I'd do you no wrong though no stranger to sin  
So Death Valley Queen go marry your king  
Or an old maid you'll end up for certain  
I said, "Death Valley Queen go marry your king  
And a-roving, I'll end up for certain"
