Advisory - the following lyrics contain explicit language:

youre dangerous cause youre honest
youre dangerous, you dont know what you want
well you left my heart empty as a vacant lot
for any spirit to haunthey hey sha la la
hey hey youre an accident waiting to happen
youre a piece of glass left there on the beach
well you tell me things i know youre not supposed to
then you leave me just out of reachhey hey sha la la
hey hey sha la lawhos gonna ride your wild horses
whos gonna drown in your blue sea
whos gonna ride your wild horses
whos gonna fall at the foot of thee well you stole it cause i needed the cash
and you killed it cause i wanted revenge
well you lied to me cause i asked you to
baby, can we still be friendshey hey sha la la
hey hey sha la lawhos gonna ride your wild horses
whos gonna drown in your blue sea
whos gonna ride your wild horses
whos gonna fall at the foot of theeoh, the deeper i spin
oh, the hunter will sin for your ivory skin
took a drive in the dirty rain
to a place where the wind calls your name
under the trees the river laughing at you and me
hallelujah, heavens white rose
the doors you open
i just cant closedont turn around, dont turn around again
dont turn around, your gypsy heart
dont turn around, dont turn around again
dont turn around, and dont look back
come on now love, dont you look backwhos gonna ride your wild horses
whos gonna drown in your blue sea
whos gonna taste your salt water kisses

whos gonna take the place of mewhos gonna ride your wild horses
whos gonna tame the heart of thee
