

Room Full Of Roses

Dean Martin

If I sent a rose to you for every time you made me blue
You'd have a room full of roses
If I sent a rose of white for every time I cried all night
You'd have a room full of roses[Chorus]
If you'd took the petals and tore 'em all apart
You'd be tearing half the roses just the way you tore my heart
And if some day you're feeling blue you could send some roses too
Well I don't want a room full of roses
I just want my arms full of you You'd have a room full of roses You'd have a room full of roses
