

Per Anger

Rogue Wave

Yeah, yeah*
'Their beds in swift' he cried
Come sister swish we dine
Unmentioned love surprise
Your ang-, your ang-, your anger
Your ang-, your ang-, your anger
Yeah, yeah
Yeah, yeah
Yeah, yeah
'Oh hold me, Hon' he cried
Festooned with edelweiss
Unmeasured sick with pride and lies
Your ang-, your ang-, your anger

Prove ang-, prove ang-, prove anger
Yeah, yeah
Yeah, yeah
You gonna walk out
Oh, not again
Man, you're like a virgin
Who can begin
(Do it again!) You've ang-, you've ang-, you've anger
(Do it again!) Prove ang-, prove ang-, prove anger
(Do it again!) You've ang-, you've ang-, you've anger
(Do it again!) Prove ang-, prove ang-, prove anger
(Do it again!) You've ang-, you've ang-, you've anger
(Do it again!) Prove ang-, prove ang-, prove anger
Yeah
