

# Re-Education (Through Labour)

## Rise Against

To the sound of a heartbeat pounding away  
To the rhythm of the awful rusted machines  
We toss and turn but don't sleep  
Each breath we take makes us thieves  
Like causes without rebels  
Just talk but promise nothing else  
We crawl on our knees for you  
Under a sky no longer blue  
We sweat all day long for you  
But we sow seeds to see us through  
But sometimes dreams just don't come true  
We wait to reap what we are due  
To the rhythm of a time bomb ticking away  
And the blare of the sirens combing the streets  
Chased down like dogs we run from  
Your grasp until the sun comes up  
We crawl on our knees for you  
Under a sky no longer blue  
We sweat all day long for you  
But we sow seeds to see us through  
But sometimes dreams just don't come true  
Look now at what they've done to you  
White needles buried in the red  
The engine roars and then it gives  
But never dies  
'Cause we don't live  
We just survive  
On the scraps that you throw away  
I won't crawl on my knees for you  
I won't believe the lies that hide the truth  
I won't sweat one more drop for you  
Cause we are the rust upon your gears  
We are the insect in your ears  
We crawl  
We crawl  
We crawl, all over you  
We sow the seeds to see us through  
Our days are precious and so few  
We all reap what we are due  
Under this sky no longer blue  
We bring the dawn all over new  
We crawl  
We crawl  
We crawl, all over you
