

# Trip My Wire

## Garbage

Be easy on me, I'm fragile  
I'm easily broken  
Be careful with me, I'm a fighter  
And you're cheating you're a liar I don't need this anymore  
This is not what I came for  
I won't stand for this at all  
I won't see you anymore Be easy on me, don't trip my wire  
I'm freaking, I'm on fire  
Be easy on me, trip my wire  
I'm freaking, I'm on fire I don't need this any more  
This is not what I came for  
I won't stand for this at all  
I won't see you any more Be careful with me, I'm fragile  
I'm a bitch, babe and I'm on fire  
Be careful with me, I'm fragile  
I'm a bitch, babe and I'm on fire Be careful with me  
Be careful with me  
Be careful with me  
I'm I'll stab you 'til tripping my wire  
I'm free, free, free but baby I'm on fire  
I don't need this any more  
This is what I came here for
