

# Shell of Light

## Burial

Give me a hug  
Closer, closer  
Closer, closer  
Love you more  
Love you more  
Love you here  
Love you here  
Know love

Know love  
It's you  
God, can you please hurry and find me?  
I wasn't sure if we could be friends  
God, can you please hurry and find me?  
I wasn't sure if we could be friends  
God, can you please hurry and find me?  
I wasn't sure if we could be friends
