Sexual Guarantee

Alcazar

So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guaranteeTonight when we go dancin', there's magic in the air
The club is always jumpin' and everybody's there
A mood of expectations, we dance under the stars
The bells that strike at midnight of AlcazarSo if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guaranteeAlcazar, Alcazar, Alcazar, Alcazar
Alcazar, Alcazar, Alcazar, AlcazarI know that you've been cryin', the tears in your champagne
Let clouds of joy come drownin', we're cryin' in the rain
'Cause everybody dancin' looks like a superstar
The bells that strike at midnight of AlcazarSo if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guaranteeAlcazar, Alcazar, Alcazar, Alcazar
Alcazar, Alcazar, Alcazar, AlcazarSo if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guaranteeAlcazar, sexual guarantee, Alcazar, sexual guarantee
Alcazar, sexual guarantee, Alcazar, sexual guaranteeSo if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guaranteeSo if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that
