

Sexual Guarantee

Alcazar

So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guarantee
Tonight when we go dancin', there's magic in the air
The club is always jumpin' and everybody's there
A mood of expectations, we dance under the stars
The bells that strike at midnight of Alcazar
So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guarantee
Alcazar, Alcazar, Alcazar, Alcazar
Alcazar, Alcazar, Alcazar, Alcazar
I know that you've been cryin', the tears in your champagne
Let clouds of joy come drownin', we're cryin' in the rain
'Cause everybody dancin' looks like a superstar
The bells that strike at midnight of Alcazar
So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guarantee
Alcazar, Alcazar, Alcazar, Alcazar
Alcazar, Alcazar, Alcazar, Alcazar
So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guarantee
Alcazar, sexual guarantee, Alcazar, sexual guarantee
Alcazar, sexual guarantee, Alcazar, sexual guarantee
So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that heartache of sexual guarantee
So if you want my number, my sexual guarantee
And if you need my lovin', my sexual guarantee
Like, if you like my glamor of sexual guarantee
I wanna see that
