Sexual Guarantee

Alcazar

So if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that heartache of sexual guaranteeTonight when we go dancin', there's magic in the air

The club is always jumpin' and everybody's there

A mood of expectations, we dance under the stars

The bells that strike at midnight of AlcazarSo if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that heartache of sexual guaranteeAlcazar, Alcazar, Alcazar, Alcazar

Alcazar, Alcazar, AlcazarI know that you've been cryin', the tears in your champagne

Let clouds of joy come drownin', we're cryin' in the rain

'Cause everybody dancin' looks like a superstar

The bells that strike at midnight of AlcazarSo if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that heartache of sexual guaranteeAlcazar, Alcazar, Alcazar, Alcazar

Alcazar, Alcazar, AlcazarSo if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that heartache of sexual guaranteeAlcazar, sexual guarantee, Alcazar, sexual guarantee Alcazar, sexual guaranteeSo if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that heartache of sexual guaranteeSo if you want my number, my sexual guarantee

And if you need my lovin', my sexual guarantee

Like, if you like my glamor of sexual guarantee

I wanna see that
