Erase Me

POYNTE

She said I don't spend time like I really should
She said she don't know me anymore
I think she hates me deep down
I know she does, she wants to erase me
Hmm, a couple days, no talking, I see my baby
And this what she tells me
She said I keep on running, keep on running and nothing works
I can't get away from you
No, I keep on ducking, keep on ducking you, nothing helps
I can't stop missing you
It's like I'm her new nightmare, she ain't escaping
It makes me feel a bit complete
Knowing someone you love don't feel the same way about you
Memories, they soon delete
Hmm, a couple weeks, no talking, I see my baby
I missed you so damn much
Hey, I wish we could start over, I told my baby
This what this bitch tells me
She said I keep on running, keep on running and nothing works
I can't get away from you
No, I keep on ducking, keep on ducking you, nothing helps
I can't stop missing you

Yeah, 'cause I'm in the magazines, on the TV
No matter where you are, you might hear me
I'm in the magazines, on the TV
No matter where you go, you might see me
Uh, I'm Yeazy, she said, "Hi I'm Aria"
No, you a angel, you wave hi to Aaliyah
I got a show in Korea, they built a new arena
Why don't you come and watch a nigga tear the whole scene up?
I know I've seen you before, but don't know where I've seen ya
Oh I remember now, it's something I that I dreamed of
Don C said she cool but don't let her fuck ya creamer
Monica Lewinsky on ya dress, take ya to the cleaners
Sure enough, a week later, I'm in extra love
Let everybody know she mine, so she extra club
Every bouncer, every club show her extra love
We just praying the new fame don't get the best of us

But all good things gotta come to an end
She let it go to her head, no, not my Aria
The height of her shopping was writers blocking me
I couldn't get my shit out anyway, I hope you die Aria
She said I keep on running, keep on running and nothing works
I can't get away from you
No, I keep on ducking, keep on ducking you, nothing helps
I can't stop missing you
