You Have Ravished My Heart

Carolyn Billing

Verse-1:

Every part of you is so beautiful, my darling,
Perfect is your beauty, flawless in love,
Now you are ready to come with me,
As we climb the highest Mountain top.
In our covenant love, we will look down from the crest of the glistening peaks and from the summit of our just sanctuary,
We will wage war together in the lion's den and the leopard's liar,

Chorus:

For you have ravished my heart,having flamed my being,my beloved one , my bride,
And I am undone by your love ,merely you glance from your worshipping eyes and you stolen my heart

Verse-2:

And just gazing and your heart joined to mine,
I am overcome , conquered and ravished and held hostage by your love, how satisfying to me my equal, my beautiful bride.

Chorus

For you have ravished my heart,you having flamed my being,my beloved one,my bride.
And now I am undone by your love,merely you glance from your worshipping eyes -2x

And you stolen my heart...

(I love the way you look at me now
I love the way you worship now
You are my beauty -3x
Yes you are) - 2x
