Spending Time

Bobby Brown

hello ladies
its me again
bobby u knoe the one
came to spend some time with you
(verse 1)
i try to find the time to spend time with you baby
because i love you
but it seems you have no time to spend time with me baby
dont you know
but i know and you know
theres nothing we can do
but i love you and its true
so let's start this feeling a new
(verse 2)
i'm the only guy who'll love you right lady
ahh cant you see my loves for real
and there be no mistaken ill love you right lady
dont feel cold yeah
cause i know and you know baby
theres nothing we can do
cause i love you and its true
so let's start this feeling a new

(chorus)
i wanna spend time with you
so lets take this time for two
i wanna spend time with you
let's take this time for two
yeah
(bridge)
but i know and you know
nothing we can do
(nothing we can do yeah)
but i love you and its true
i love this new feeling
that you got me feeling
for you
ahhh nooooo
(speakingw/ adlibs)

i wanna spend time with you (x4)
