

# I'm Not Over You

CeCe Peniston

I've tried to let it go I can't believe it's over

It's hard to let you go

Cause I can't sleep at night

And that's one thing that I know

I'm not, not over you

I'm not, not over you

I don't why it's over

I don't know where to turn

I tried to let it go

And that's one thing that I know

I'm not, not over you

I'm not, not over you

CHORUS:

Tell me what can I do

When I know that we are through

Can't get you off my mind

Think about you all the time

I can't get over you

No matter what I do

I'm not, not over you I know inside I gave it,

I gave it all I had

I did all I could do

And still it hurts me so bad

I'm not, not over you-----
