Deceive the Pain

Acrania

Tonight I look into my eyes
Just trying to...
Find the connection, the words and the will
and the sense and the beat of my heart
How can I
With all these traps
Keep recalling your eyes and rejecting my...
Way to deceive the painWhere are you trying to find the way?What if I erase all of you, from my side
Pull off the sheets of that part of my lifeI want to be heartfelt
I want to stop the oppression
Of trying to climb out of my fucking errors
And trying to hide my stupid indecision
And I don't want to forget a word from you
And I don't want to forget any part of you
I would rather carry this burden
Than break away any memory of youHow happy is the blameless vestal's lot
The World forgetting, by the world forgot
Eternal sunshine of the spotless mind
Each prayer accepted and each wish resignedI want to feel the pain
I want to feel the hate
I don't want to deny
I want to feel the pride
To be strong enough
To carry on with my rights and my wrongsLife's a game to lose
It's hard to face that
I need to call your name, MOTHER! FATHER!
How happy is the blameless vestal's lot
The World forgetting, by the world forgot
Eternal sunshine of the spotless mind
Each prayer accepted and each wish resignedHow happy is the blameless vestal's lot
The World forgetting, by the world forgot
Eternal sunshine of the spotless mind
Each prayer accepted and each wish resigned
