

# Poles Apart

## Pink Floyd

(David Gilmour/Polly Samson/Nick Laird-Clowes) Did you know...it was all going to go so wrong for you  
And did you see it was all going to be so right for me  
Why did we tell you then  
You were always the golden boy then  
And that you'd never lose that light in your eyes Hey you...did you ever realise what you'd become  
And did you see that it wasn't only me you were running from  
Did you know all the time but it never bothered you anyway  
Leading the blind while I stared out the steel in your eyes The rain fell slow, down on all the roofs of uncertainty  
I thought of you and the years and all the sadness fell away from me  
And did you know...I never thought that you'd lose that light in your eyes
