

Unfit For Human Consumption (Live At Wacken 2014)

Carcass

Seductive lymphandetitis
Delectable septic metritis
Tempting glanders jaundice
For human consumption unfit Palatable melanosis
Aromatic mastitis
Saporous brucellosis
Cry havoc and let slip Salivating
At the leash straining
The cadaver dogs
Devouring Appetising
Diseased gastric dining
The cadaver dogs
In cold blood Indulging in sarcocysts
Epicurean pericarditis
Cariosus tender and lean
After all you are what you eat Salivating
At the leash straining
The cadaver dogs
Devouring Appetising
Diseased gastric dining
The cadaver dogs
In cold blood Unfit for human consumption
An appetite for bovine destruction
A manifesto for mutilation
Manifests in your own dereliction The dogs of cruror released
On severed carnage feed
Cadaver dogs rapidly bay and seethe
Canine, ulunating, feverishly inhaling
the scent of human debris Indulgent lymphandetitis
Aromatic mastitis
Corrosive carcase rotten and obscene
After all you are what you eat Salivating
At the leash straining
The cadaver dogs
Devouring Appetising
Diseased gastric dining
The cadaver dogs
In cold blood
