Wanna do what do betta go and put in work
Wanna see what I see betta go and put in work
Wanna get what I get betta go and put in work
Wanna roll how I roll betta go and put in work
But I look so fresh every time I put in work
And I know I win every time I put in work
I can smell that doe every time I put in work
Every time I - Every time I put in work

Wanna get what I get betta go and put in work
Wanna roll how I roll betta go and put in work
But I look so fresh every time I put in work
And I know I win every time I put in work
I can smell that doe every time I put in work
Every time I - Every time I put in work
