the rebirth

Move.Meant

Thanks ParrisImmerse yourself in this moment
Think about our rebirthLet's get connected
Let's get united
Let's run away out of these vows of these men of structureWhoa I wanna get connected
So we can get electric
Then we'll set our souls free dancing into raptureOh oh
Here comes the rebirthPushing outwards
From our swollen hearts
It's time to fuse ourselves when love set free loves burning spirit'Cuz everyone seems
Cold and emotionless
I can smell the hunger, taste the angry air who resurrects thisT H I R S T H I S I S T H A
RebirthYou'll find a place where
You'll beholden to no one
Except yourself so let them come and see ya standing nakedFull of passion
Flowing inside out
Into creation becoming one with presentSo go get connected
Unshackled essence
Let's fuck away morality, you might be independentOh I wanna get connected
So we can get electric
Then we'll set our souls free dancing into rapture
Oh, ohImmerse yourself in this moment
Think about our rebirthBefore we die
Before we die
Before I die
Before I die
Before I dieLet's get connected, lets get united
Lets run away to accept that we all are different
I wanna get connected
So we can get electric
Then we'll set our souls free dancing into raptureBefore we die
Before we die
Before I die'Cuz
This
Is
The
Rebirth
