Let You In

Talia Paul

Lying here, in this pit that life's pushed me down
I don't know, just how long
I can take or when I might break
I'm in needing so someone, please show me the truthThis need is real in my soul I feel the love You shared
That's why I can't say no again
My thoughts are confused for my sins You're abused
My heart it screams, to open up and let You inIn my mind, I'm still fighting to understand
Nothing's free, but what You offer me
You give so freely, though it cost You Your life
And inside, You show me the truthThis need is real in my soul I feel the love You shared
That's why I can't say no again
My thoughts are confused for my sins You're abused
My heart it screams, to open up and let You inYou know I try to do it, to be a self made manI tried to place it all upon my back again
But this crushing weight was well beneath the skin
Panicking for the light, inner struggle I fight
But then I realized that You could be the only wayThis need is real in my soul I feel the love You shared
That's why I can't say no again
My thoughts are confused for my sins You're abused
My heart it screams, to open up and let You in
Let You in, let You in, let You in
