

# I Will Never Forget You

Danielle Bradbery

Sooner or later they say  
That it all gets easier  
Take it one tear at a time  
I wake up one day  
To find some closure  
Shining like the sunlight through the blinds

No matter how much time make pass between us  
You?ll never be more than memory away

Cause I?ll never forget you  
No I?ll never forget you

Whisper of the evening rain  
On the bedroom window  
Like the sky is missing you  
The flicker of the candle flame  
There?s only one shadow  
Oh, but I can still see two

No matter how much pain I have to go through  
It?s better than feeling nothing for you at all

Cause I?ll never forget you  
No I?ll never forget you  
When I?m sleeping  
When I?m dreaming  
When i?m awake  
Whenever when

I got the feeling that I?ll never get you out of my mind

Oh and I?ll never forget you  
Oh, I?ll never forget you (never forget you)  
Never forget you, oh oh  
Never forget you
