

# Wicked Game (666 Remix)

## [unknown]

The world was on fire and no-one could save me but you

It's strange what desire will make foolish people do

I'd never dreamed that I'd need somebody like you

And I'd never dreamed that I'd need somebody like you

    No I don't wanna fall in love

    (this world is always gonna break your heart) 2x

        ...with you

    what a wicked game to play, to make me feel this way

        what a wicked thing to do, to let me dream of you

        what a wicked thing to say, you never felt this way

        what a wicked thing to do, to make me dream of you

    No I don't wanna.....

the world was on fire and no-one could save me but you

    it's strange what desire will make foolish people do

    No, and I never dreamed that I'd love somebody like you

    I'll never dream that I'll lose somebody like youNo I don't wanna fall in love

(this world is always gonna break your heart) 2xWith you....(this world is always gonna break your heart)No

I....(this world is always gonna break your heart) 2xNobody.. loves noone...
