Toyz

Cinema Bizarre

Show me your toyz
I want to be your choice
Show me your toyz
I wanna be your addiction
I wanna be your president
I wanna taste androgynity
I wanna try a boy girl friend
I will show you how beautiful it is
There's no need to resist
So just show me your toyz
I want to be your choice
Show me your toyz
Let me enjoy
So just show me your toyz
I want to be your choice
Show me your toyz
Let me enjoy
I wanna show you all my faces
I wanna be a masochist
I wanna rule your sexuality

I wanna be on top of your list
I will show you how beautiful it is
There's no need to resist
So just show me your toyz
I want to be your choice
Show me your toyz
Let me enjoy
So just show me your toyz
I want to be your choice
Show me your toyz
Let me enjoy
I will make your wishes come true
So just show me your toyz
I want to be your choice
Show me your toyz
Let me enjoy
So just show me your toyz
I want to be your choice

Show me your toyz
Let me enjoy
