

# You Got Soul

Glenn Hughes & Chad Smith

Down in Saint Jude's hall, you star in a play  
You're ready to free fall, the children do say  
Euphoric recall will take you away  
Underneath your skin I know that you travel, on your astral plane  
The deepest respect, can you hear my refrain  
So nice to meet you, when I was in Spain  
Underneath my skin  
Here it comes again  
Say yeah, yeah yeah  
You got soul  
You got soul  
You ain't done nothin' wrong  
The flesh is weak, but the spirit is strong  
You got soul  
You got soul  
I knew it all along  
Your eyes do speak, when I sing my song  
The Dalai Lama do whisper and say  
Deep in your karma the demon you slay  
You be the one and you blow me away  
Underneath my skin  
Here it comes again  
Say yeah, yeah yeah  
You got soul  
You got soul  
You ain't done nothin' wrong  
The flesh is weak, but the spirit is strong  
You got soul  
You got soul  
I knew it all along  
Your eyes do speak, when I sing my song  
Underneath my skin  
Here it comes again  
Say yeah, yeah yeah  
You got soul  
You got soul  
You ain't done nothin' wrong  
The flesh is weak, but the spirit is strong  
You got soul  
You got soul  
I knew it all along  
Your eyes do speak, when I sing my song
