

Hollywood

Los Lonely Boys

I'm calling up my Cheri
Tell her that I'm gonna leave
'Cause I'm movin' on
To Hollywood you see It's always been a life long dream
For my family
To see me
On that silver screen And I know I can't go wrong....
'Cause I finally found my song
I'm headin' where I belong...Hollywood
I know there's something in store for me (But) nothing like the tragedies
That have seen me through
In real life you see
Next time that you see me I'll be done with misery
I'll be shinnin' bright
For all the world to see
And I know I can't go wrong....I'm headin' where I belong..Hollywood
I know that something's there for me...I'm flying free
That's why I'm calling up my Cheri
Tell her that I'm gonna leave 'Cause dreams are free
In Hollywood you see
And I know I can't go wrong....cause I finally found my song...
I'm headin' where I belong...Hollywood...Hollywood
And I know I can't go wrong ...
I'm headin' where I belong...Hollywood
