

Fall On Me

[R.e.m.](#)

There's a problem, feathers iron
Bargain buildings, weights and pulleys
Feathers hit the ground before the weight can leave the airBuy the sky and sell the sky
Tell the sky and tell the skyDon't fall on me
Fall on me, fall on meThere's the progress we have found
A way to talk around the building
Towered foresight isn't anything at allBuy the sky and sell the sky
Bleed the sky and tell the skyFall on me, fall on me
Fall on me, don't fall on meWell, I could keep it above
But then it wouldn't be sky anymore
So if I send it to you, you've got to promise to keep it wholeBuy the sky and sell the sky
Lift your arms up to the sky
Ask the sky, ask the skyFall on me, fall on me
Fall on me, don't fall on me
Fall on me, fall on me
Fall on me, don't fall on me
Fall on me, fall on me
