

# Meditation to the Groove

## Kaskade

This is not the same old story  
This is not your same old thing  
If you let the music take you  
You will see that this is not a dream

Please mistake this  
I'll just let this music lead the way  
Melody set me free, oh  
Taking me away

This could be how you see things  
This could be your life anew  
Letting go to understand this  
Meditation to the groove

Please mistake this  
I'll just let this music lead the way  
Melody set me free, oh  
Taking me away
