

# Please

## Young Dubliners

Desensitized  
The young will grow to  
Not feel much of anything  
And we just don't seem to care Dollar signs  
We need more footage  
Cash in on the tragedy  
Why aid in the repair Please promise me today  
That when it's through you'll feel  
Oh oh oh oh oh feel oh oh oh oh oh  
Please promise me today  
That when it's through you'll feel  
Oh oh oh oh oh Please. Please oh. Please yadadadadadaye Movie camera  
Strike a pose  
We must have something special  
Look they're dying on their knees I'll give you my heart  
Then you can  
Sell it for the revolution  
And ride that bitch for free Please promise me today  
That you will stop and feel  
Oh oh oh oh oh feel oh oh oh oh oh  
Please promise me today  
That you will stop and feel  
Oh oh oh oh oh shout it out Please. Please oh. Please yadadadadadaye Please promise me today  
That you will stop and feel  
Oh oh oh oh oh feel oh oh oh oh oh  
Please promise me today  
That you will stop and feel  
Ohhhhhhh feel feel Please. Please oh. Please yadadadadadaye
