I Want You

Shana

I want you, I want you so bad I need you
It's driving me mad
I want you, I want you so bad I need you
It's driving me mad

You know that I want you tonight
That's alright with me
Baby, you're all I desire
My love is all that you need
Come in my world and baby you'll see
Paradise is waiting for just you and me
I've waited so long for someone like you
To make all our dreams and fantasies come true

I want you, I want you so bad I need you
It's driving me mad
I want you, I want you so bad boy, I need you
It's driving me mad
I want you

Babe, won't you give me your love
There's no one better for me
Now honey, look what you've done
I'm under your spell, can't you see
Give me your love and baby you'll see
Paradise is waiting for just you and me
I've waited so long for someone like you
To make all our dreams and fantasies come true

I want you, I want you so bad I need you
It's driving me mad

I want you, I want you so bad I need you
It's driving me mad

I want you, I want you so bad boy, I need you
It's driving me mad
I want you, I want you so bad boy, I need you

Come in my world and baby you'll see

Paradise is waiting for just you and me
I've waited so long for someone like you
To make all our dreams and fantasies come true

I want you, I want you so bad I need you
It's driving me mad
I want you
I want you
I want you
I want you

I need you
I need you
I need you so bad
I need you
I want you
It's driving me mad
I want you, I want you so bad
I need you
It's driving me mad

I want you
