

# F#!\* Me, F#!\* You (feat. Mysonne)

Mase

Yo, I look scared? Huh?  
Teamsters, I look scared in here? Huh?  
When I go through the hood do I tuck my chain in? Huh?  
Do I be in the hood with bodyguards? I thought not  
Now look what yall made me do  
I was just good wit' my shiny suit  
I wasnt botherin' nobody  
I was just throwin' my rollie in the sky  
Now look what you made me do  
Look what you made me do  
Look what you made me do  
I aint even here to play wit' you  
What, what, wanna blow, what  
Yo, Mase hop out the blue Lex wit' about two tecs  
Spit fourteen got about two left  
If one vest is thin then rock two vest  
Triple platinum and only in the U.S.  
Im the Harlem world slash all out dot com  
My con, if you could buy Cris' then why buy Don  
All you cats at rah rah Betty dot com  
Wanna see a hundred grand then look at my arm  
You think I wanna take this too far in a Rugar  
Put a hollow bullet through y'all  
Have cats at ya wake come out of New York  
And ya body in the Salt Lake out in Utah  
So you are feel good, leave the country  
And then all you are, Spain, baggage claim and they yellin', bonsoir  
You think Im comfy, think Mase won't go home free  
Think Im satisfied make 20 grand monthly  
Wanna lump me, walk through clubs they bump me  
Wanna tell all they bone chickens how they jump me  
They cant wait to see the paramedics come to pump me  
While they OT, Im O.C., I'm out the country  
If you love me, I love you  
The same way you trust me, I trust you  
The same way you hug me nigga, I'll hug you  
The first time it's fuck me nigga, it's fuck you  
Nigga, if you love me, I love you  
The same way you trust me, I trust you  
The same way you hug me nigga, I'll hug you  
The first time it's fuck me nigga, it's fuck you  
Fuck you  
Yo, being at the wrong place at the wrong time  
Get some cowards killed and some get long time  
I roll wit cats who would roll for me  
Bust a gun for cats who will bust for me  
Did some wrong, I did some right  
I lived the life, sometime I think what will my kids look like  
Rarely talk even wit a chick I like  
Im here 'till Thursday, dont make me switch my flight  
Dont get your moms caught in the middle of the night

Dont look good for your son but the kid could fight  
 And yo, you can't prolong but for so long  
 When it's God playin', no man could hold on Nigga, I be real when the act be over  
 See you at the light and snatch your black rover  
 Cook my coke and crack without the shoulder  
 And dont mind bustin' a gat without a motive If you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you Nigga, if you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you  
 Fuck you You know a lot of people talkin' 'bout doin' the kid  
 Never leave witnesses that knew what I did  
 You wanna harm me cat, bring five of your best  
 Put two in your ribs and five in your chest and five in the vest Cat cosign and get the five thats left  
 Want suicide nigga, I provide your death  
 No nigga's in the street that die for less  
 So why confess? We won't leave alive  
 Unless you keep your feet up frontin' in the jeep 'Cuz nigga's who Im wit spit nothin at your feet  
 Red dot head shot, fluorescent green beam  
 For them niggas who test my team  
 And when your joint jam, my joint'll bust I kidnap friends 'cuz the money is a must  
 And to be real wit' you I feel for you  
 'Cuz two to the head is how I deal wit you  
 I ain't playin' If you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you Nigga, if you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you  
 Fuck you If you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you Nigga, if you love me, I love you  
 The same way you trust me, I trust you  
 The same way you hug me nigga, I'll hug you  
 The first time it's fuck me nigga, it's fuck you  
 Fuck you
