

# Ain't No Doubt

## Mausberg

She says, It's not you, it's me  
I need a little time, a little space  
A place to find myself again, you know  
Oh yeah, I know a goodbye when I hear it  
She smiles but her heart's already out there  
Walking down the street She says  
I don't want nobody else, I love you  
She's lying  
There won't be somebody else and that's true  
She's lying  
Say you'll always be my friend, sweet darling  
Why does she pretend? Ain't no doubt, it' plain to see  
A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more She says, It's like in a song, remember  
If you love someone, set them free  
Well, that's how it is for me and then she kisses me  
And somewhere I hear a door slam, so I say, Fine  
And just hope that I'm a better liar than she is She says  
I don't want nobody else, I love you  
She's lying  
There won't be somebody else and that's true  
She's lying  
Say you'll always be my friend, sweet darling  
Why does she pretend? Ain't no doubt, it' plain to see  
A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more Ain't no doubt, it' plain to see  
A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more I don't want nobody else, I love you  
She's lying  
There won't be somebody else and that's true  
She's lying  
Say you'll always be my friend, sweet darling  
Why does she pretend? Ain't no doubt, it' plain to see  
A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more Ain't no doubt, it' plain to see

A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more  
Ain't no doubt, it' plain to see  
A woman like you's no good for me  
Your heart beating at another door  
I'm a damned fool for to ask for more
