## King Charles

Oh I know you have to go away  
And I'm no reason for you to stay  
But I'll be waiting here

A reason to come home All love lends no rights I can only try my best I don't need to see you to know how  
beautiful you are

I don't need to find you to know you're going on so far  
Oh I don't need to wait for you to know you're coming home

Oh but darling I need to love you cause you're my heart and my soul Oh and when your is spinning swelling  
oceans in your track

Oh and dancing locals oh in every land

Oh every singing tongue oh will kiss your ear

Oh and through your mind busy spinning words and rhymes start at the beginning I don't need to see you to  
know how beautiful you are

I don't need to find you to know you're going on so far

Oh I don't need to wait for you to know you're coming home

Oh but darling I need to love you cause you're my heart and my soul I don't need to see you to know how  
beautiful you are

I don't need to find you to know you're going on so far

I don't need to wait for you to know you're coming home

Oh but darling I need to love you cause you're my heart and my soul I don't need to see you to know how  
beautiful you are

And I don't need to find you to know you're going on so far

And I don't need to wait for you to know you're coming home

Oh but darling I need to love you cause you're my heart and my soul
