Boot Party

The Rival Mob

Oi Oi we're the boys
We're the ones that make the noise
Oi Oi we're the boys
We hit the streets like clockwork orange
Oi Oi we're the boys
We're the ones that make the rules
Oi Oi we're the boys
We'll beat 'em down like droogy boysHit the streets we're looking for a fight
See the nazi's to beat down tonight
Beat 'em down to ground
Keep on fighting until they're dead
