

Holy Moment

Acquire The Fire

As we come today we remind ourselves of what we do
That these songs are not just songs but signs of love for You
As we come today we remind ourselves of what we do

That these songs are not just songs but signs of love for You
This is a holy moment now, something of heaven touches earth
Voices of angels all resound, we join their song
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
Lord with confidence we come before Your throne of Grace
Not that we deserve to come but You have paid the way
You are the Holy King of all, heaven and earth are in Your hands
All of the angels sing Your song, we join them now
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
Let this be a holy moment now, let this be a holy moment now
Let this be a holy moment now, let this be a holy moment now
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
Come, come, come, let us worship God
With our hands held high and our hearts bowed down
We will run, run, run through Your gates O God
With a shout of love, with a shout of love
With a shout of love, with a shout of love
With a shout of love, with a shout of love
With a shout of love, with a shout of love
Let this be a holy moment now
Let this be a holy moment now
Let this be a holy moment now
Holy moment now...
