

# The Edge of Water

## Jars of Clay

Have you ever been haunted  
The way I've been by you?  
And have you ever felt  
The measure of the days  
That I've spent waitin'  
Pining for you I can't see the sun for the daylight  
I can't feel your breath for the wind  
I don't want to step from these shadows  
Till you're comin' back again I've dimmed these emotions  
To keep my lanterns lit  
Shaken by this longin'  
It coursins' through my veins  
In my mind, I can't make sense of it I can't see the sun for the daylight  
I can't feel your breath for the wind  
I get so used to these shadows  
Are you comin' back again yuu? Do we give up the search  
And turn out the lights?  
And give up this Holy Ghost  
That rattles through the night I can't see the sun for the daylight  
I can't feel your breath for the wind  
I don't want to step from these shadows  
Till you come back again Can't see the sun for the daylight  
Can't feel your breath for the wind  
I get so used to these shadows  
Will you chase away these shadows  
When you come back again? When you come back again?  
When you come back again?  
When you come back again?  
(When you come back again)  
When you come back  
When you come back again?  
When you come back  
When you come back again?  
When you come back  
When you come back again?
