Rain

Samantha James

Only I can write the story
Only you can draw the line
Only time can know the distance
Between your world and mine

If you gave me a million reasons
I could never tell you why
I can't say what I believe in
I just feel it inside

As the rain falls, I listen
To the rhythm of your heart
Though we may never be together again
I know we'll never, I know we'll never be apart
Never gonna be apart

All I have left is a picture
All that you left was your name
I'll burn a candle beside my window
That's reflected in the rain

When it's hard to find your way home
Just keep this in mind
If you live inside the moment
You'll know love's a light

As the rain falls I listen
To the rhythm of your heart
Though we may never be together again
I know we'll never, know we'll never be apart
Never gonna be apart
