

# Lose Control

## Ledisi

(Verse 1)

I need you to come home,  
hurry up get off the phone,  
I'll be waiting... I got something to show you, won't be what you're used to,  
aah ahh ah, not tonight  
These red high heel shoes,  
left behind some clues,  
follow the roses,  
let me reward you, for loving me like you supposed to..

(HOOK)

I'm make you lose control,  
I'm gonna make you lose it, I'm gonna make you lose it  
Just let, just let go, just let it go (let it go)  
I'm gone make you lose control, it's going down when you get home, baby Ima blow your mind, I'ma show you  
something new this time, something you ain't never ever ever had,  
I'm gonna make you lose control, it's going down when you get home,  
I don't even have to ask, I'm the best you ever had, hope you're ready cause I'm gone make you lose control

(X3)

eh eh eh, ay, ayy

(Verse 2)

When you hit the door, give you what you want and more, don't just say nothing (lose control) cause baby I got  
this,  
there's nothing that I won't kiss, (oh, uh uh all night)  
This place we're about to go, we never been before, I hope you're ready, you're gonna like this, I-I-I'm gone  
leave you speechless

(HOOK)

I'm make you lose control,  
I'm gonna make you lose it, I'm gonna make you lose it  
Just let, just let go, just let it go (let it go) baby let it go  
I'm gone make you lose control, it's going down when you get home, baby Ima blow your mind, I'ma show you  
something new this time, something you ain't never ever ever had,  
I'm gonna make you lose control, it's going down when you get home,  
I don't even have to ask, I'm the best you ever had, hope you're ready cause I'm gone make you lose control

(X3)

eh eh eh, ay, ayy
